TODAY-Anacostia vs. North Carolina, at hirteenth and D streets northeast. TOMORROW-Sherwood vs. Hamilne.

Conditions in the Sunday School League do not indicate that Ninth will return to the fold this season, as Manager Love of that team states that he will not place a team on the field so long as Umpire Hughes remains, and it is not likely that the league will dis-pose of that official for the present.

There will be a meeting at Ingram Church tonight when it is expected that the committee appointed to investigate the charges preferred against Umpire Hughes by the manager of Ninth will make its report,

The committee to revise the schedule has not yet made its report, but it is expected that something on that matter will come to light this evening. It is probable that postponed games will be arranged for the days upon which Ninth is scheduled.

patronage this year. Being situated right in the business section, and with one of the best diamonds in the city the departmentites have seldom drawn less than 1,500 at a game, and often have crowds running close to three and four thousand in numbers.

Anacostia has been a disappointment this season, as from the pace they set a year ago it was expected that the St. Elizabeth boys would be among the leaders this year. The change in management which was effected last week, with Bernie Buscher as pilot, will prob-ably turn the tide. Hamline is now conceded to be the

winner this season as they have the strongest aggregation in the circuit and with Jimmy Kerr, "Buck" Becker, and Litchfield as rubber men it is expected the Methodists will make a good showing in the post season series.

When the league first started, two years ago, the games exhibited were poorly played, and there was seldom a large crowd on hand, but this year the teams have played the best of ball, and at times there have been as many as 1,500 people on hand to witness the contests.

The schedule calls for a four-game series between each two clubs, making a total of twenty games for each team. Commerce and Labor will have a hard fight during the next ten days, as its games will probably come in a row. Luckily Manager Shoemaker now has a splendid staff of twirlers in Whitney and Smith, with Dutch Kinney to fill in.

Today's game will have much bearing on the fight for cellar honors. The two tailenders hook up, and the contest will probably be a close one.

Thursday's game between Pumping Station and Cornell will probably be a corker. The two leaders have been going at a fast clip, and the best of ball should result.

Pumping Station has aroused from its slump, which threatened to put it out of the running, and the Pumpers have been winning with pleasing regularity in their last few games. They will have their best line-up on the field for their game with Cornell

Much of the success of the league this year has been due to the untiring efforts of Mr. Winslow, who is in charge of the Washington branch of the Y. M. C. A. Mr. Winslow was the first one to think of the league a few years ago, and since he went its sponsor he has given his best efforts toward its success.

Saturday will be another hard game for Cornell, when it plays Navy Yard. Should Cornell win the contests this week with Pumping Station and Navy Yard, there will be no doubt of its winning the pennant. Should it lose both, the race will be a tight one, with three teams having a look-in. Manager Cornell is confident of victory in both games, and looks forward to winning the pennant as easily as he did last year.

Now that St. Paul has taken a fall out of Kendall, it is up to the two leaders to have their strongest possible lineups on hand every game for fear of a Wilkesb're. repetition of Saturday's affair. St. Paul and St. Martin are the teams that from now on are going to cause some trouble. Parsley and Wilkinson have been busy as bees getting men for their teams and have succeeded in signing some of the best men in the city.

Some fans have expressed their opinion that Bill Burley is the best fielding pitcher in the league, basing their opinion on the fact that Burley had seven difficult chances without an error in Friday's contest. Whether or not Bill is deserving of the honors which the fans have given him is a question, but it can be said that "Lefty" Holden, of St. Martin, gives him a hard rub for the honor.

For working the pitcher for free transportation Pat Divver no doubt holds first place. In two games last week Divver was at bat but twice. In the first game he got three base on the first game he got three base on balls and in the second drew two passes and was hit once.

TODAY-Adams Express vs. Bureau of Engraving. First and M streets northeast. TOMORROW—Commissioners vs. Aloysius.

When he saw that his team mates were losing interest and about to disband, Manager Bill Handiboe was witty enough to take advantage of the split in the Sunday School League, and signed up the major portion of the Ninth Street players, as well as a few of the Ingram boys. Manager Bill went a little farther by dropping the management also, and Johnny Kuntz is now the leader of the reorganized club.

Adams Express will be a frequent visitor at the park this week, appearing four times, and if they expect to win the binting it will be necessary to win every game. This will work a hard-ship on the Expressmen's twirlers, Mc-Mahon and Knott, and it may be pos-sible that one of the games will be held off until next week.

Scout Doyle, manager of the Bureau team, signed up Bill Handiboe, ex-manager of the Commissioners, Satur-day night, and it is probable that the wenk spot at short will be filled by an

Some good games are on the bill for this week. Today Tenleytown and Na-val Medico play, and a good game will result, as the Suburbanites have defeated the Doctors one of the four games that they have played them, and have given them a hard fight in tre three that the Suburban boys dropped to the Government physicians.

Several of the Tenleytown players have been transferred to the Naval Medico—namely, C. Donaidson, the boy who has been clouting the pill at a lively clip; Johnny Jones, one of the fastest second basemen in the circuit and also one of the fastest men on the paths in the District, and Herbert Jones, the big six-footer who has been doing great work on the initial sack for the Suburbanites. The loss of these three stars might burt the Tenleytown three stars might hurt the Tenleytown nine.

The regular schedule of games closes July 26, and there is about an even dozen postponed games to be played off after July 26. This will make the schedule run until August 15, or thereabouts. This date will close a very successful season in the Georgetown circuit, as things have been run off very smoothly and there has not been one forfeited game through out the year so far, This is probably a record of which no other league in town can boast. other league in town can boast

Today will determine whether or not Braddock is made of pennant-winning qualities when it meets Southland. A meeting of the officials of the league will be held tonight at 8 o'clock at the office of R. P. Andrews.

For some time after Brewer left.

Manager Gassaway had trouble in signing a backstop, but he has strengthened that position greatly by the addition of Munch, of Sewage Pumping Statton. The youngster is one of the best catchers in the league and is a good hitter. He will probably be seen behind the bat for Walford today.

The fans will see some good contests this week, as each of the leaders meet. Andrews and Walford meet, Walford and Willard, and Willard and Andrews. These games are sure to cause some changes in team standing.
